

Higher Professional Training Course in Cybersecurity

2025/2026

English Applied to Computer Science (18117)

1st year | 1st semester

Who I am...

Madalena Tavares

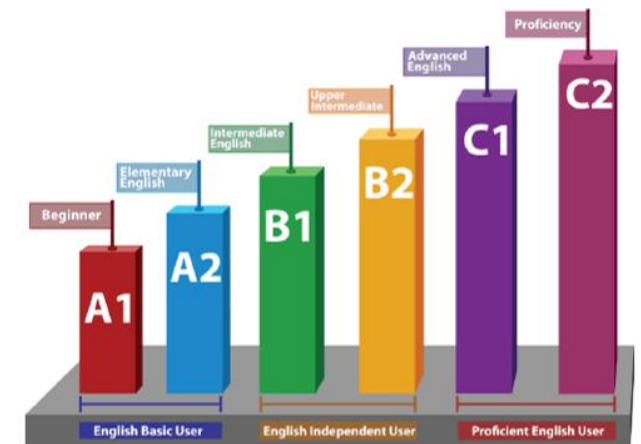

madalenatavares@ua.pt

Objectives

This curricular unit aims to provide the students with linguistic competences for the analysis, interpretation and production of technical texts in English, according to the descriptors defined in the CEFR level B1.2.

Learning Outcomes

By the end of this curricular unit, the student should be able to:

- select, interpret and synthesise relevant information from texts focusing on the course's core areas;
- produce linguistically accurate texts, orally and in writing, adapting the speech and the register to different communication contexts.
- demonstrate linguistic accuracy when identifying and using specific terminology in the area;
- use ICT as a tool to validate terms and concepts resorting to terminological databases, dictionaries, grammars, glossaries,...

Course Content

1. Operating Systems
2. User Interfaces
3. Computer Applications
4. Networks
5. Internet Security
6. Customer Service
 - a) Business Writing
 - b) Computing Support
7. A Career in IT

*Other topics may be addressed whenever deemed appropriate.

A banner image featuring several dried, yellowish-brown autumn leaves (likely maple) arranged on a white background. The leaves are scattered across the frame, with some showing prominent veins. The text 'espaço elearning da universidade de aveiro' is overlaid in white on the left side of the leaves.

espaço elearning

All class materials will be available in your eLearning platform.

Lessons: Thursday, 18:30 – 23:00 (room 3.1.02)

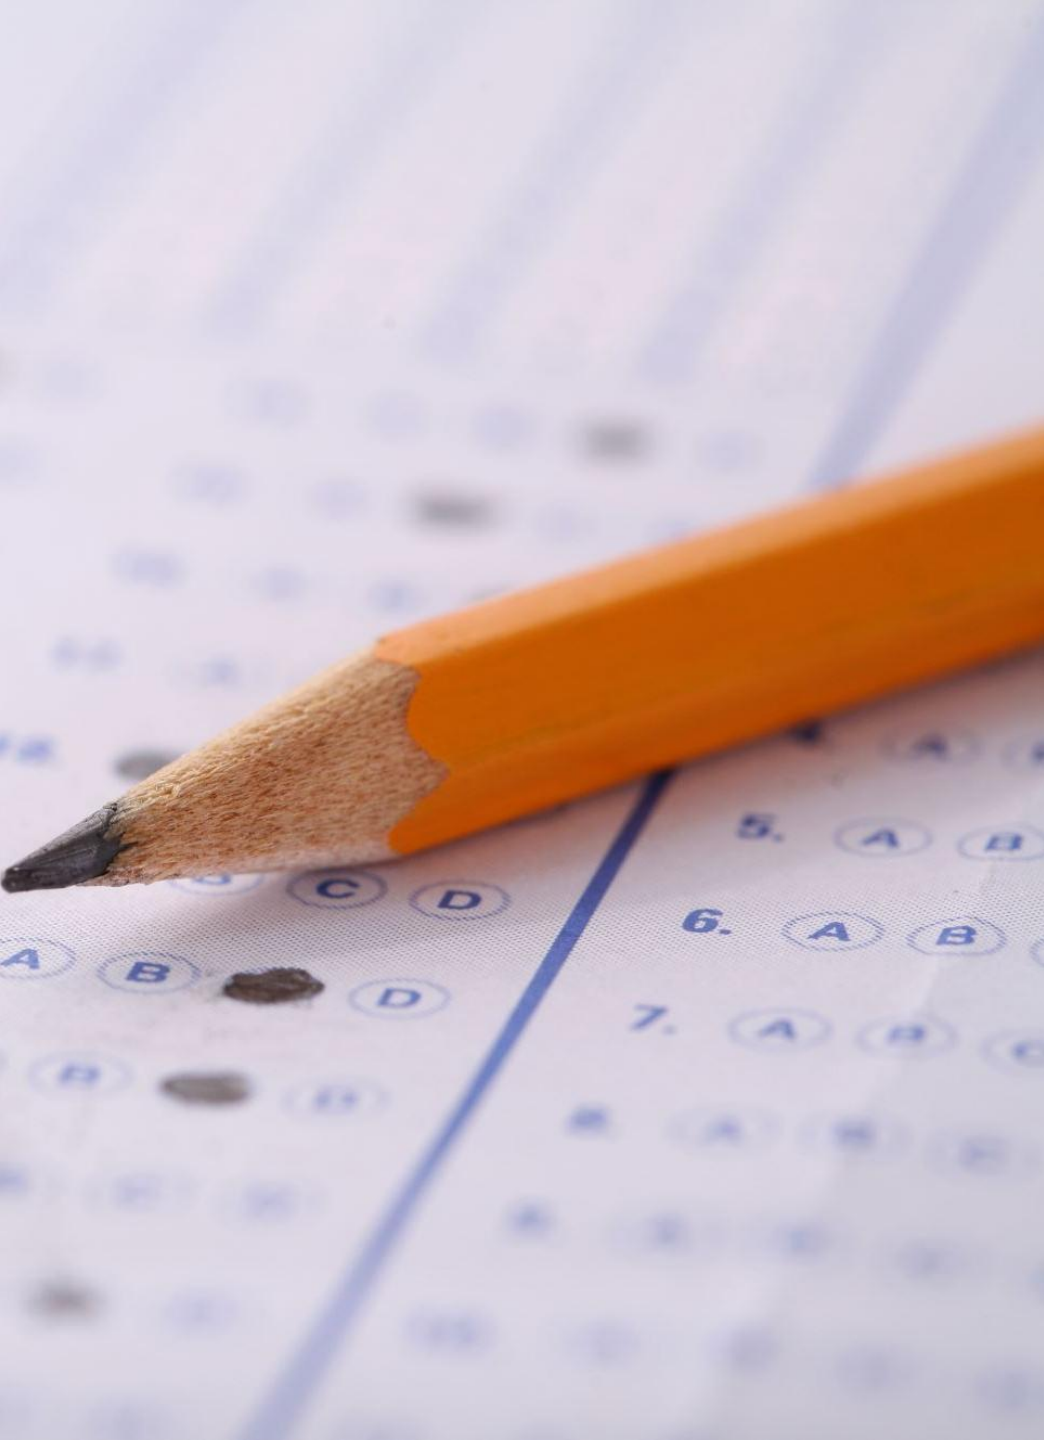

Office hours: Mondays, 10:00 to 12:00

Please send na email beforehand

General Academic Calendar 2025/26

[illegible]

Assessment

A. Discrete assessment

- Classroom assignment (15%): 23.10. 2025
- Written test (50%): 06.11.2025
- Oral presentation (35%): 20.11.2025

Preferential

B. Final assessment

- Written test (60%) + oral test (40%): (exam season)

C. Recurso/Melhoria

- Written test (60%) + oral test (40%): (exam season)

Additional notes

As defined in article 30, paragraph 2, of REUA, if students wish to opt for **Final Assessment**, they must communicate this decision to the teacher during the first two weeks of the semester (**1st october**) to madalenatavares@pt.

In case of non-attendance to / submission of one of the assessment elements, students will be graded with the final mark "Faltou" (code 77);

The transition of partial grades across marking seasons is not allowed.

Let's get to know each other!

What comes naturally to you?

What is your passion?

What makes time disappear for you?

What makes you different (weird)?

What would you do if money didn't matter?

I Teach

What's Your Superpower?

**WHAT
MOTIVATES?
YOU**
