**4****Writing assessment**

Choose one of these topics and write ~120-140 words. Do not use a dictionary or the Internet or ask anyone for help.

1. Describe a holiday that you've been on and enjoyed.
2. Explain what you normally do at the weekend.

4. Writing assessment:

The last holiday I went on was with my parents. It was one I particularly cherish because it was before all the confinement required during the Covid-19 pandemic.

We went to Ericeira for a week and we stayed at the Vila Galé hotel (when the prices were more within an affordable range). During the mornings we would often go to a beach nearby, whilst in the afternoons we stayed at the hotel swimming pool. One of the days we went to Sintra and visited one of the palaces (not Palácio da Pena nor Quinta da Regaleira though, one of the others close by), and it was one of the most beautiful and peaceful places I've ever been to, that's what I remember the most, along with the gorgeous garden and view of all the trees. At night we would have dinner at one of the many restaurants available in the streets nearby (which were at a walkable distance and close to the hotel), and we tried to go to a different one everyday. The food was always really delicious and not extremely expensive, which was an added bonus.

This trip was one of the most special holidays I've been on and is one I remember quite well, not only because it was the last week long vacation I went on to such a beautiful place, but because, looking back, it was a precious one before my last year of high school and before the pandemic. It was short, but very meaningful, and it was a calm before the storm that was 2020.
